# Request for Correction of Entry

The Commissioner of Patents P.O. Box 1450 Alexandria, VA 2213-1450

Dear Sir:

Responsive to the Official Action, a Restriction Requirement, mailed June 27, 2005, a Response was filed on July 20, 2005 as shown by the accompanying

JP920020130US1

Dec 27 05 10:52a Dan McConnell 919 787 2749 p.4

copies of the paper, the transmittal for the paper, and the USPTO return fax acknowledgment of the paper. While the heading for that Response properly identified the Art Unit, Examiner, Applicant, Filing Date and Title, the Serial Number was misstated by the exchange of 0 and 2 in the sequence. It is believed likely that the paper reached the proper Art Unit, but has remained unassociated with the file history due to the improperly stated Serial Number.

It is respectfully requested that the paper filed July 20 be associated with the file and be given the actual date of filing as shown by the papers filed herewith. If that request is refused, then it is respectfully requested that the paper filed today be entered and that, as requested in the transmittal, any additional fees required by charged to the designated Deposit Account.

Respectfully submitted,

Daniel E. McConnell
